2. Providing a week-long Sports Camp
3. Serving the city through local assistance centers

**Other specific details have not been arranged yet—Jim and Aaron will travel to Philadelphia to preview and pray over the ministry opportunities.*

Accommodations

In an effort to keep the cost affordable we will be sleeping in the facilities of a sister church. We will negotiate group rates at hotels and for meals. We are estimating \$5 per meal at fast food restaurants for the few times we will not eat at the ministry facilities (which is included in trip cost).
